Personnel Administration: Journal of the Society for Personnel Administration
Editorial Office: Suite 484, National Press Building, 529–14th Street, N.W., Washington, D.C. 20004

The Society for Personnel Administration is a professional non-profit organization. Its world-wide membership is open to personnel directors and their staffs; to line managers at executive, managerial, and supervisory levels; to research workers and consultants; to training directors, teachers, and students. Membership is $15 per year. It is open to all who wish to help people and work organizations become more effective.

The Society seeks to improve the practice of personnel management through conferences, institutes, seminars, workshops, and publications. It attempts to stimulate creative research and experimentation which can lead to more productive work relationships in organization life.

The aim of PERSONNEL ADMINISTRATION is to focus on new and creative ways of helping people become more productive in work organizations. Its objective is to place before personnel workers and line managers a variety of articles, including systematic analyses of practical problems, reviews of recent books, reports on research, creative ideas and distinctive practices that may lead to better personnel management.

This Journal is open to all who are interested in sound management—wherever people work together toward common goals. Manuscripts are to be submitted in triplicate, doublespaced, and preferably 2,500 words or less. Manuscripts and correspondence relating to editorial content should be sent to the Editorial Office. The editorial staff will review manuscripts submitted but will not be responsible for their loss. Unused manuscripts will not be returned unless accompanied by a self-addressed, stamped envelope.

Published papers become the property of the Society and are protected by copyright. Opinions expressed are those of the authors NOT of the Society NOR of the editors. Upon notice of acceptance, authors may order reprints at minimum rates.

Books sent for review should be sent to the Book Review Editor. Comments from readers are encouraged and should be sent to the Editorial Office.

PERSONNEL ADMINISTRATION is indexed or abstracted in the Educational Administration Abstracts, Employment Relations Abstracts, International Management Information-Edition B, Management Index, Book Review Index, Mental Health Book Review Index, Personnel Literature (U.S. Civil-Service Commission), Personnel Management Abstracts, Psychological Abstracts and Public Affairs Information Service.
